Senior Class Activities Raise Eyebrows

Senior class activities over the past year and a half have caused several questions to be raised in the community. Owners of local amusement parks and ski operators across New England have joined with the National Parks and Wildlife Trust in an attempt to curb what have been described as "wild excess" on the part of CRLS seniors. Some C.R.L.S. Clubs To Be Cut

A decision is expected in the next five years as to which clubs at C.R.L.S. will be terminated. This situation has come about because the budget for club activities has now passed the ten million dollar mark. School Department officials will offer no comment at this stage as the computer has been unable to complete the list of clubs at C.R.L.S. For complete details see

Yearbook Staff Tell it As it is

The yearbook staff of the Class of 1985 has reportedly completed work on the 1985 Yearbook. The staff has spent the past year in total isolation on the third floor of the Arts Building, and was discovered by a team of custodians during the annual Spring cleaning. For all details see

Record Number of Teachers to Retire

The closing of the school year will see the retirement of the largest group of teachers in the history of the school department. This sudden and unexpected exodus has been brought on by the lack of parking spaces in the garage. Faced with having to park strictly within the white lines or joining car pools, many faculty opted for early retirement. For details of those remaining on the staff see

Contest Winners

Student Writers At CRLS

By Cecilia Akuffo

Since the beginning of the 1984 school year, there have been frequent essay contests at which students try their luck.

4th Ernie Graves Contest

To begin the year there was the Ernest Graves Essay Contest in which Sarah Wheelock was first prize winner. Nancy Simmons was second and James Moses was third. These talented winners were given prizes at the Rindge Alumni dinner. The Graves competition was sponsored by the John W. Wood Scholarship Fund. Mr. Graves was a student at Rindge in the class of 1929. The contest which is named after him is in its 4th year.

61st Caroline Close Essay

Another essay contest was the Caroline Close Essay Contest, sponsored by the English Department. The winner of the freshman class was Heather Thompson, from the Sophomore class, Amy Clark, and once again from the Junior class, Sarah Wheelock. (She graduated this year.) The Senior class winner was Lauren Hirshon.

The contest has been around for 61 consecutive years, having started in 1923.

Register Forum

The *Register Forum* also sponsored a short story contest for the budding writer. The first prize of this contest went to William Maxwell '87. His story was entitled, "Wicked Sorrows". In second place was Zachary Dubnoff.

This brings to a conclusion a summary of the activities which might have passed you by. If you were caught unawares, look out next year. The same contests will be around again, so everyone has a chance. **GO FOR IT!**

WRLS Station To Begin

By Hashim W.

WRLS will be broadcasting early this year. Maybe as soon as next week. We usually need time to train the students.

If you have any requests or announcements, they will be read over the air. Just place them in the WRLS mailbox in the Main Office.

Contests will be given on a regular basis. We also have several bands around C.R.L.S. and will try to get them here to perform for you live. We have new personalities (DJs) that have been trained and directed by Ms. Sandra Dickerson. And you can expect guests from WSKS, WBCN, WILD and other various stations.

Teachers: We will be having a teacher's broadcast during A & B lunch.

Key Club News

By Michele A. DeVasto

The Key Club is a non-profit organization that donates money to various charities. The club is sponsored by the Kiwanis International of Cambridge and is a school service. The club was started when some boys got together to donate money to charity. When the girls in the various schools heard about this, they formed the K.B. Club; both are now co-ed.

The president of the Key Club is Patrick Fitzgerald and the teacher-advisor is Mr. James O'Connor. The club has a lot of up-coming plans and hopes to be successful at them. The *Register Forum* will keep you updated on any changes or future plans.

"GOOD TIMES"

Mrs. Ford Honor

Mrs. Helen Ford, a popular member of the Cambridge Rindge & Latin security staff, is the 1984 recipient of the Clorae Evereteze Award for Civic Unity based on her untiring and unselfish service to the youth of the City of Cambridge. She was officially honored on June 20 at the CCU's Annual Banquet at the Hotel Royal Sonesta, but was also honored at the Awards Day ceremony in the school auditorium.

For the third year, the Black Table Association at Dunster House at Harvard gave special recognition to several of our juniors for their outstanding achievements in academics, athletics, arts, and community service. A special recogniton reception will be held in September attended by Joanne Hornfeldt and Maxcene Bascomb (academics), Katrice Rivers and Lisa Treadway (arts), Troy Smoot and Pierre Joseph (athletics), and Arlin Foster and Cathy Forde (community service).

We, the staff of the Class of 1985 Yearbook, have done our best to compile into this book a history of our time at CRLS. The joys, the sorrows, the ups and the downs of the four years spent at CRLS has been compiled, so we hope, in the pages of this book. We have tried to include everything, but, you can only put so much into one book. We hope that years from now when you open this book that the memories of our years spent at CRLS will come flashing back. A lot of hard work, time and patience went into this yearbook. We hope it brings as much pleasure to you when you look at this book in the future as the past four years have brought to all of us.

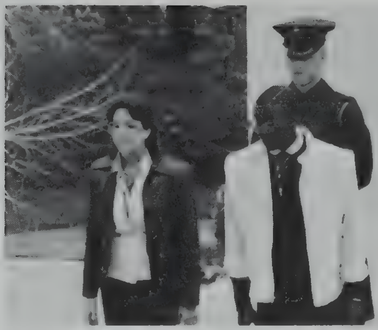
Our Junior Year



JUNIORS INVADE

GREAT ADVENTURE, N.J.

As our Junior year was rolling around to a close, a last minute trip was planned to Great Adventures Amusement Park in Jackson, New Jersey. Great Adventures had been hit by a fire that destroyed its funhouse and killed several New York teens. This raised a lot of concern from our parents and people at school. The Class of 1985 was not bothered by this, and took off for Great Adventures.

Early Saturday morning on May 26th, 1984, we met in front of C.R.L.S. and packed into two buses. It was a long ride and when we reached the park the day was already hot and muggy. We got our tickets and attacked the park. The rides were dynamite and the games challenging. As the afternoon progressed, the skys grew darker and storm clouds could be seen off in the distance. There was a brief shower which was later followed by a storm of pouring rain and thunder claps.

Our spirits, however, were not dampened by the weather. After meeting at the bus, we decided that we still had time and returned to the park which now had new refreshing air.

We had a great time and the park did live up to its name.

LAKE COCHITUATE

On June 27th, the class of '85 piled into two busses and headed for the sunny shores of Lake Cochituate. The weather was fair to begin with. Softball and touch football were the sports of the day. The sun came out and we headed for the water. Everyone got wet whether voluntarily or involuntarily. At about 1:00 o'clock some dark clouds started moving in. We thought nothing of this at first, but were suddenly hit with what started out as a shower, then a downpour and finally a hail storm. We ran for the busses and headed for home. By the time we reached Cambridge the rain had stopped and the sun was shining again.

"No one'll dunk me!"

"Don't worry it'll pass."

Perfect ending to a "Junior Class Trip"

Dancing till dawn has always been a great pastime. Our Junior's held a Semi-Formal Dance at the Sheraton Commander in Cambridge that could have lasted till dawn. The attendance at the Semi was impressive and a good time was had by all those in attendance.

Over the next three days we wined and dined, like true aristocrats. Those of us who were of a more adventureous nature diced with lady luck in the casino, whilst the more cautious amoungst us were content to explore Freeport by land, sea and air.

Pirates of Penzance

During the summer of 1984, the C.R.L.S. Drama Department presented its version of Gilbert and Sullivan's "The Pirates of Penzance." After weeks of intense rehearsing, the cast performed five superb performances. Each performance was as good as the last.

In this musical comedy, C.R.L.S. students again displayed their many talents as singers, dancers, and actors. The enthusiasm of the cast throughout each performance made this production a success.

IN MEMORIAM

Sam Ferraro

We were saddened early in our Senior year by the sudden passing in September of one of our faculty members, Mr. Sam Ferraro. His fifteen years of devoted service to the Cambridge School Department were marked by his own special quality of concern for the success of each of his students. Concern for others was a part of his personality which helped to make him special.

Following his graduation from Rindge Technical School in 1941, he enlisted in the United States Marine Corps, and served in the South Pacific. After his discharge he completed his studies obtaining his B.A. from Boston State College. He completed his graduate studies at Fitchberg State College, and was awarded a Master of Arts degree. Whereupon he joined the faculty of Rindge Technical School.

In his gentle way he taught us to be concerned and to take pride in accomplishment. Our lives are richer because of his influence and the treasure of his memory will always remain with us.

At the State Erin Murphy, Lisa Treadway, Karon McCollin, Carin Anderson and Frances Jarvis, The Relay Team, all placed.

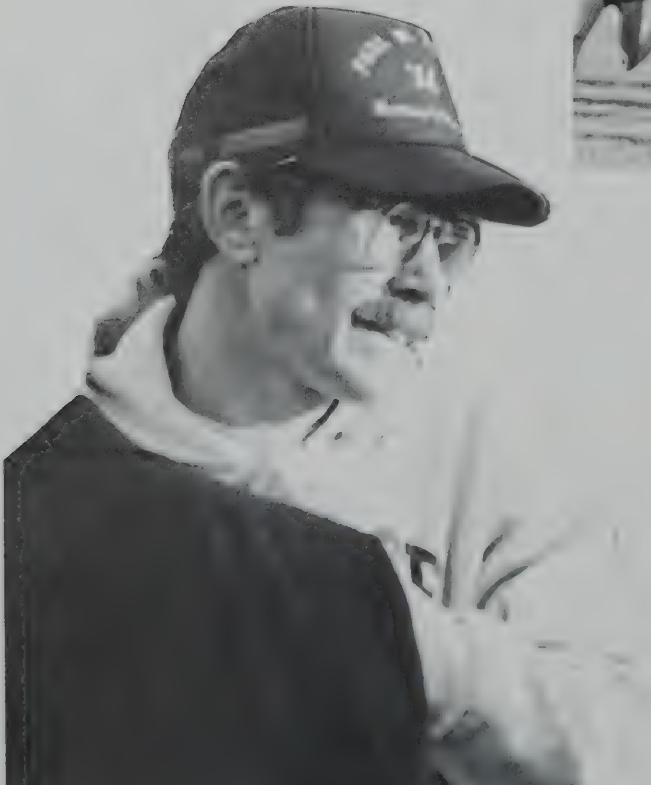
BOY'S CROSS COUNTRY



The 1984 edition of the Boy's Cross Country was supposed to be a lean year. After graduating five seniors from the undefeated State Runners'-up in '83, this team started from scratch. After a week of training on the Cap (Camp Bob) the Boy's placed second to eventual State Champ Xaverian High School at the Northeastern Invitational. Maybe there was hope! As the season progressed seniors Lars Hagan, Pete Murphy, Jonathan Backstrom and John Cochrane led the team to one victory after another. Two young stars slowly emerged also, sophomore Suraffel Assefa and freshman Scott Cody. Assefa eventually captured the Suburban League Championship Race and Cody the State Freshman Championship. Seniors Bob Slavin and Mike Welke ran strong all year along with the strongest freshman team the Warriors have had.

Final outcome: an undefeated season Suburban League Champs and fifth place in Eastern Massachusetts. A very long way from being a lean year.

The Girls' Basketball Team had a rebuilding season this year after their 1983-1984 Suburban League Championship. This season the Lady Warriors finished with a 5-11 record.

"We were very competitive, many of the games were not decided until the closing minutes," said Coach Audrey Cabral-Pini. Two bright spots of the season occurred when Co-Captain Andrea London and Rhonda Greene were selected for the All-Star Team. Andrea and Rhonda were also among the League leading scorers.

Rounding off the remainder of the squad were, Co-Captain Laura Daniliuk, Tanya McRea, Noreen Tucker, Dorothy Anderson, Angie Dunn, Lucy Scalese, Erin Peterson and Nikki Carter.

FUNDAMENTAL PROGRAM

The Fundamental School is an alternative program at Cambridge Rindge & Latin School which emphasizes a traditional approach to education. Students follow a core curriculum for major subjects like English, Social Studies, Mathematics and Science, and may choose electives from the main campus course offerings. Approximately 450 students in grades 9 through 12 attend the Fundamental School, which is housed on the fourth floor of the Rindge building. The 1985-1986 school year will be the 10th year the Fundamental School has been available as an educational option for high school students in Cambridge.

The Fundamental School faculty is proud of our 1985 graduates, and wishes each of the graduates continued success.

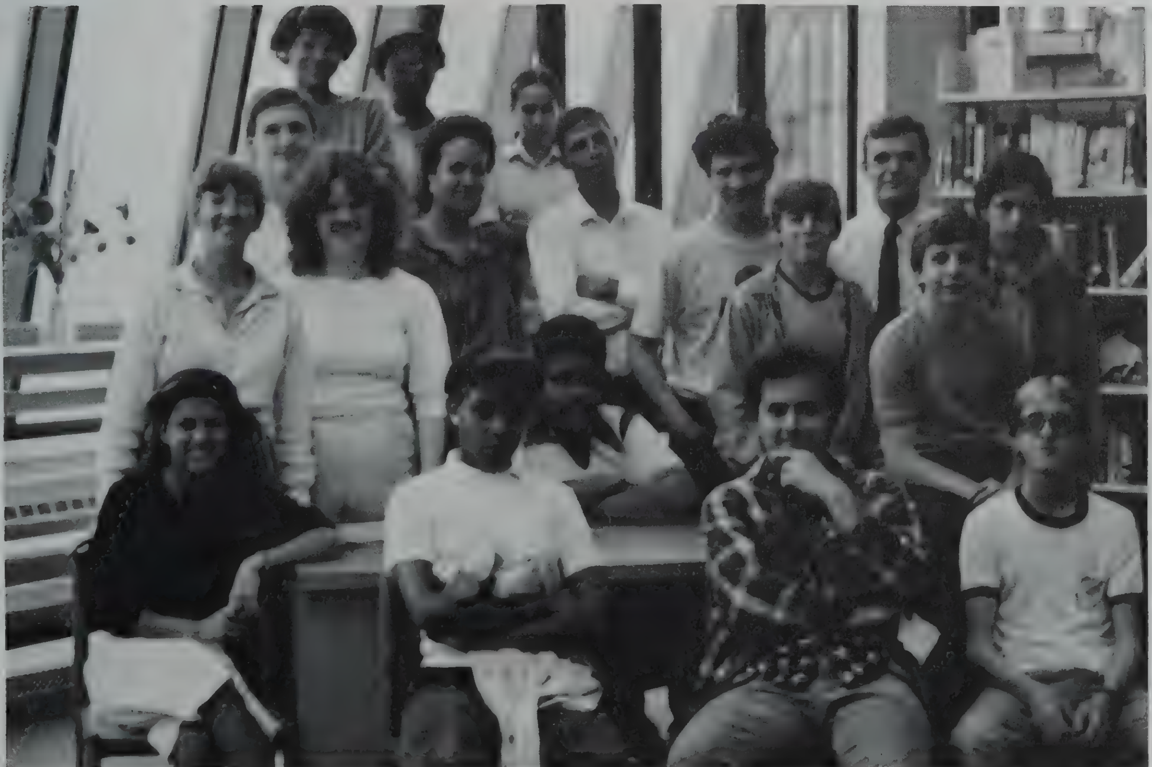
TEACHER ADVISOR PROGRAM

This program provides students with the opportunity to meet with each other and a Teacher/Advisor to discuss both personal and school related concerns. It is great for learning about school activities, school programs, getting help with college and career planning, and also for getting to know other students and teachers.



DECATHOLON

MASSACHUSETTS ACADEMIC DECATHLON

On Saturday, November 17 history was made at C.R.L.S. as the first Massachusetts Academic Decatholon was held. Cambridge competed against schools from 18 other communities in this ten event academic contest.

Our six person team consisted of seniors Jesica Mark, Sylvestre Fontes and Ivan Mercado; and juniors Asha Mehrling, Sara Glen and Caleb Donaldson. Ms. Walther and Mr. Mangan were the teams official coaches while numerous teachers helped both to prepare the team and to proctor the tests that Saturday.

Under the supervision of Mr. Henry Lukas, the state contest was organized to select the team to represent Massachusetts in the 1985 California contest.

After all the tests had been scored C.R.L.S. placed second in this contest only 700 points behind winning Newton North.

OPEN LINES

Open Lines, the Fairness committee, is a part of School Government and is composed of students and teachers. It offers the school community a means of resolving conflicts and issues of fairness. Members are trained in listening, negotiating and advocacy skills.

Any student or teacher may bring a complaint to this body for hearing and everyone is encouraged to join.

YEARBOOK STAFF

Finn, Al and Corbin, Thank you for everything!

Rose & Mr. Finn do "Yearbook Stuff"

Editor's Note

Being editor of the Class of 1985 yearbook has been a very enjoyable experience for me. The yearbook staff have worked hard to try and capture the memories of our years here at C.R.L.S. There were times during the course of the year when the production deadlines seemed almost unattainable, but thanks to the dedication and hard work of the staff we made it.

A special word of thanks to Al Ferriera, and Phyllis Corbin for the patience and effort they extended to us in preparing the photography and layout design that we feel have made the Class o 1985 yearbook a truly creative production.

Last, but certainly not least, there is one other person who I'll never know just how to thank: Mr Finn, who spent more time and effort than anyone would expect of him. Clearly through his patience and determination to complete the job, he proved to be more than just an advisor. Thanks, Finn!

Tricia . . . Layout

Thank you to the individuals who made this Yearbook happen. Although we lost many members of the Layout Staff to other activities we had more than enough dedication to pull us through. Joe Grassi (and of course Einstein) cropped endlessly. Rose Invencio always managed to get that last-minute cropping and typing done. Cindy Laycox, Laura Daniliuk, Denise Collins, Alice Schofield, Sarah Miner, and everyone else — thanks to you all!

IN MEMORIAM

Mr. Gerald Fico

We were all saddened by the death of Gerry Fico. Mr. Fico was a dedicated man who committed himself to the safety and security of the students.

He was the kind of man who made you feel he really cared, and students were quick to sense this.

Mr. Fico's ties to Cambridge dated back to his days as a student at Rindge Tech. — from which he graduated in 1946. He joined the staff of the school department in 1970 as a Liason Coordinator, and at the time of his death he was a Liason Security officer here at C.R.L.S.

Through his efforts he helped create a secure setting in which we, the student body, could enjoy our days here at C.R.L.S.

He will undoubtedly be missed by all.

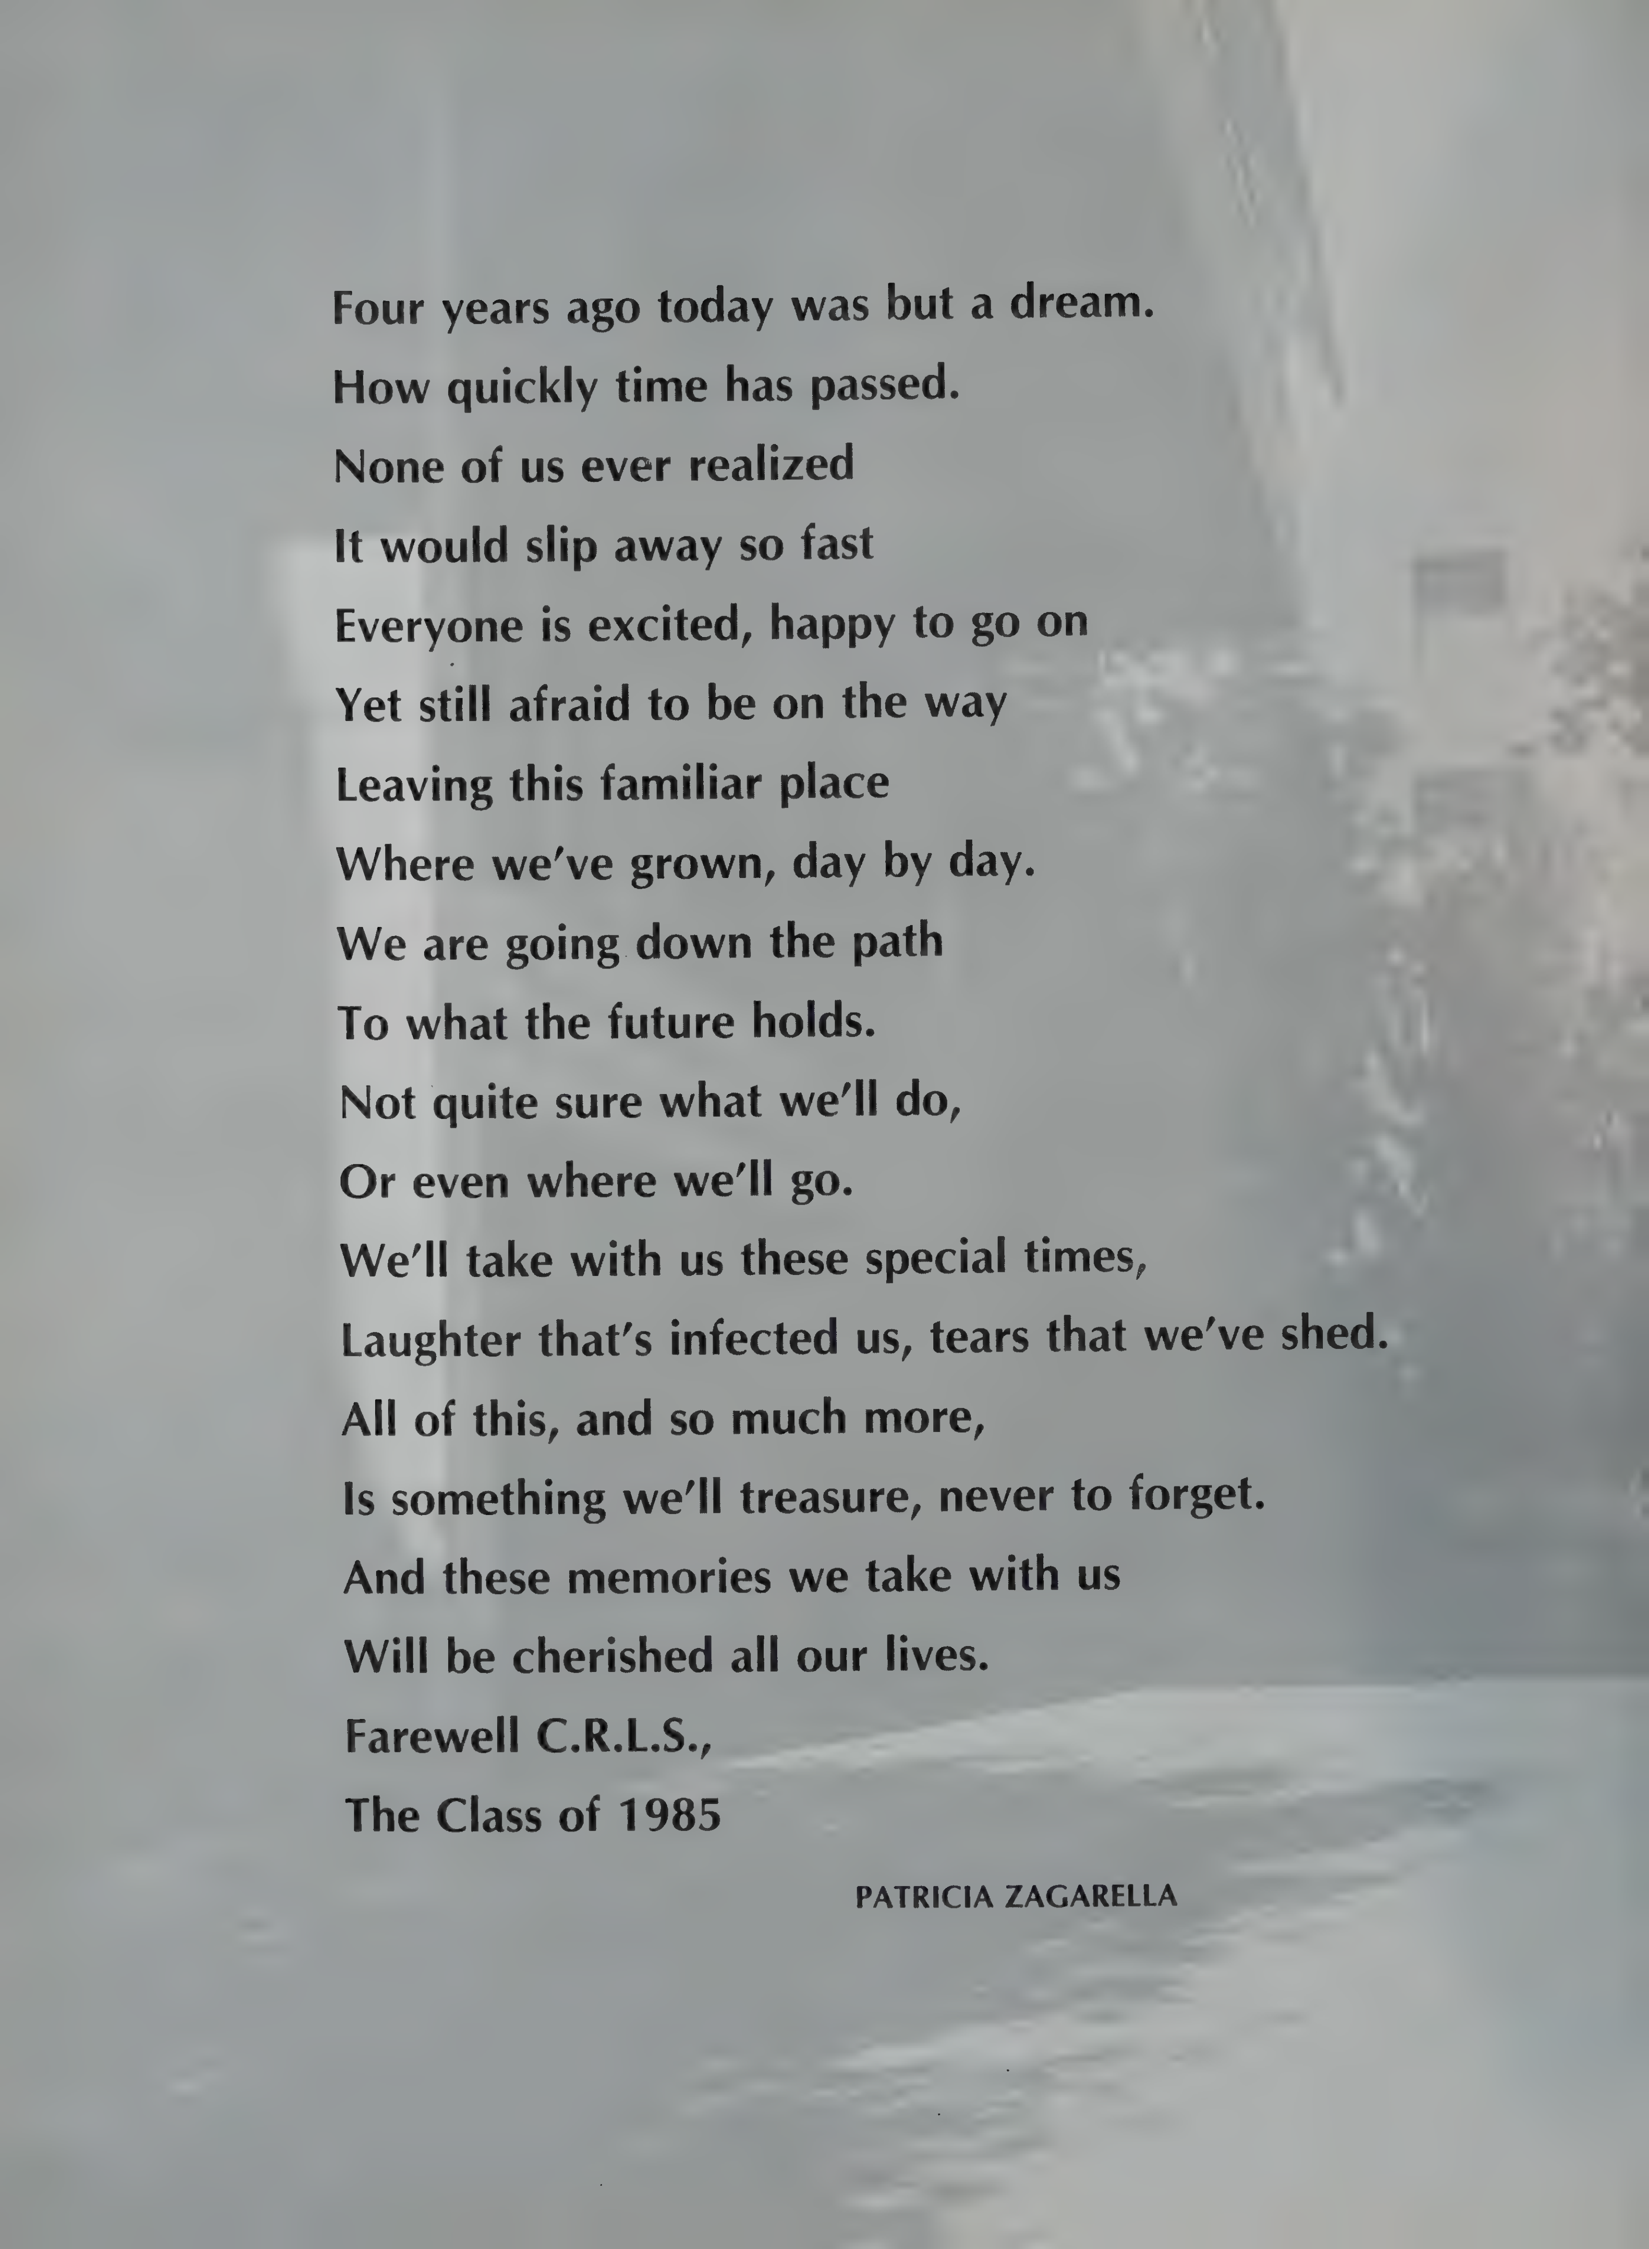
Will / Marque / History / Dedication



Four years ago today was but a dream.
How quickly time has passed.
None of us ever realized
It would slip away so fast
Everyone is excited, happy to go on
Yet still afraid to be on the way
Leaving this familiar place
Where we've grown, day by day.
We are going down the path
To what the future holds.
Not quite sure what we'll do,
Or even where we'll go.
We'll take with us these special times,
Laughter that's infected us, tears that we've shed.
All of this, and so much more,
Is something we'll treasure, never to forget.
And these memories we take with us
Will be cherished all our lives.

Class of 1985 History

In September of 1981, the Class of '85 walked into CRLS with hopes of making a place for themselves in the history of CRLS. As Freshmen, we were introduced to the Teacher Advisor Program (TAP) in which we would also participate during our Sophomore year. Some students complained about the program, while others praised it for giving them a chance to meet other students. But whether our experience was good or bad, the time spent in TAP will remain in our memories forever.

Freshmen and Sophomore year flew by and then we were now Juniors. As Juniors, our first task was to elect the class. The class officers were: Arlin Foster — President; Thomas Mescal Vice-President; Ivan "Skip" Mercado — Treasurer; and Katrice Rivers — Secretary. TAP no longer took up our Wednesday morning, so we used this time to meet with the class officers, advisors and homeroom reps. Fundraising and class activities were planned at this time. The ski slopes were our first destination as Juniors with the Class Ski Trip. The class then headed for the nation's Capital, Washington, D.C. For four days the Juniors partied, explored, and left A mark in the city of our leaders. Next was a bold step for any Junior Class, a Semi-Formal dance, which was attended by a large percentage of the class. The year rolled around to a close, and the class rolled to Great Adventure in Jackson, New Jersey, for a day of "amusement" and to Lake Cochituate for a day of fun in the "sun."

Summer ended and September arrived again. The Class of '85 was back as Seniors. Again first order of business was to elect officers. They were: David Rivera — President; Vincent Foderingham — Vice-President; Sheila Colon, Secretary; and, Ivan "Skip" Mercado was re-elected Treasurer. As Seniors, the class also elected an Executive Board. The board members were: Tina Arthur, Bob Bonnacci, Eric Calvert, Derrick Dottin, Troy Elllerbee, Arlin Foster, Anthony Galluccio, Andrea London, Teresa Lopes, Eric Stone, Paul Sullivan, and, Lynne Verrocchi. The class then had a big decision to make, where would be the locale of the Senior Class trip? The Bahamas was decided by class vote. Fundraising was then begun. What had started the previous year as "Junior Juice", continued as "Senior Squeeze" to bring down the cost of the trip. Personal accounts were started so that individual seniors could defray the cost of Senior activities for themselves. Another Ski Trip was planned for the Class of '85, General Senior class dances were held. The Home Coming Dance was a great success and Joe Grassi and Tina Arthur made a handsome Home Coming King and Queen. In March, the class headed for the Bahamas. With our sun-tan lotion and partying spirit we spent four days in the sun. May soon arrived and Yearbooks were given out. Senior week was planned: a party at the school, an outing at Cochituate, and, The Prom at the Boston Park Plaza. Only one step remained for successful completion of Senior year — Graduation. On Monday, June 3, 1985, the diplomas will be handed out and the Class of '85 will be off to make their its on the world.

Filomena Morreira, Mike Krasnow, and Les Kimbrough.

Our Senior year was successful, through the efforts of our class advisors Filomena Morreira, Mike Krasnow, and Les Kimbrough.

"Filo" and "Kraz", you have both been there for the past two years, and with your help we had an extremely successful Junior year. We enjoyed our class trips to Washington, D.C., Great Adventures, the Semi-Formal, and Lake Cotichuate. All of this and so much more was accomplished through your leadership and guidance. You have made our Senior year a success by your advice, encouragement, and even Kraz's jokes.

To Mr. Kimbrough a special word of thanks for your efforts on our behalf throughout the year.

We leave C.R.L.S. with many happy memories and for these we are indebted to "Kraza", "Filo" and "Kimbrough".

Thank you.

"Some people come into our lives and quickly go. Others stay for a while and leave footprints in our hearts and we are never the same."

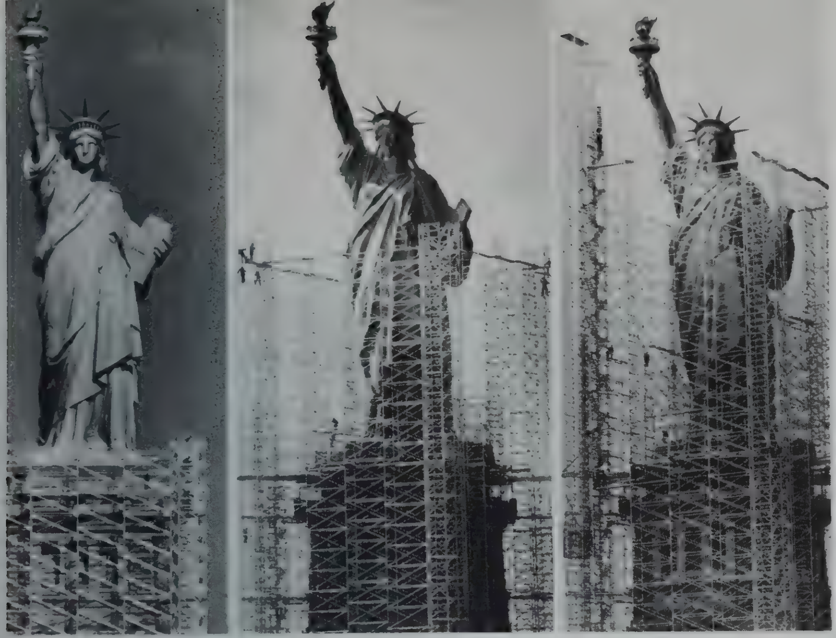
President Ronald Reagan and Vice President George Bush sought re-election in 1984. He vowed not to raise taxes and ran on his record of the previous four years.

Michael Jackson conducted his so-called Victory Tour to more than a dozen cities. The original ticket policy, which required fans to mail in $120 postal money order for four tickets with no guarantee that they could receive tickets, was shelved after much criticism.

Dateline



The Statue of Liberty celebrated her 98th birthday in 1984 and she began to show her age. The statue was worn from constant pummeling by wind, salt air and acid rain, and the iron ribbing supporting the copper covering was badly corroded. A two-year restoration began in July 1984. It included a new gold-plated torch.

President Reagan won re-election with the biggest electoral vote in the nation's history. He won 49 states with 49 percent of the total vote. The photo shows President and Mrs. Reagan at the victory celebration on election night, November 6, 1984.

Princess Diana gave birth to Prince Harry in late 1984. The photo shows Prince Charles and his other son, two-year old Prince William.

INCREASE YOUR POWER TO PAY FOR COLLEGE.

If you want to go to college, you may need an income — or need to add to the one you have. The Army Reserve Simultaneous Membership Program can help high school seniors and college students do just that.

If you're in high school, you can start your Reserve training the summer after you graduate, by signing up now. Then qualify for advanced ROTC membership, which is available in over 800 colleges and universities. You'll earn $100 a month as an ROTC Cadet plus $100 a month as a Reservist. If you're in college now, join the Army Reserve and ROTC at the same time, and you earn two incomes at once.

Improve your ability to pay for college. See your local Reserve Recuiter for details.

DEDICATION

They helped us get to school on time, they loaned us extra dollars when we were broke at the end of the week. They've been there when we needed them most and they've been there when we wished they weren't: they are our parents, sometimes best friends, sometimes our worst enemies.

They got us up for school in the morning, they lent us more money when we ran out again. They listened when we needed someone to listen, nagged when we needed to be alone, our parents were all of this. Through the first seventeen years of our lives they have always been there. As we grow up and move on, we should remember what our parents have done for us and know that they will always be there.

Our parents are our biggest critics and most adoring fans. They are the first to pat you on the back, or tell you that you messed up.

"Only an 87 average, what are you stupid?", "You played well, so what if the team lost 5-0", "Nice shot, next time get it in our basket!", "Your hair is too long, get a hair cut", "Who are you going out with, what's he or she like?", "Get up, you're going to be late!", "What's the matter! Why are you so quiet?"

Our parents are all this and much more. They will and have always been there for us. It is because of all this care and attention that we, The Class of 1985, dedicate this yearbook to our parents, — our best friends and worst enemies — , who deserve not only this dedication but much more.

Thanks Mom and Dad!
